

# EMERGENCY ADULT DENTAL CLINIC

## Includes:

One emergency limited oral exam and x-ray provided at the first clinic so we can review your medical history and needed extractions for adults will be provided at a second appointment. Children accepted on an emergency basis only. Once your treatment is complete, you will be referred to existing clinics for comprehensive care.

*We are unable to provide at this clinic comprehensive dentistry, cosmetic dentistry, dentures, partials, bridges, crowns, root canals, implants, braces or cleanings at this clinic. Appointments are limited and on a first come, first served basis with volunteer availability.*

Please call or email to schedule.
